You

## Brighten Your Window, Shower or Wall .... Colored Glass Blocks

Why have a generic clear glass block project when you can add a splash of color? Design with various sizes, shapes, and color to add privacy and a one-of-kind style.

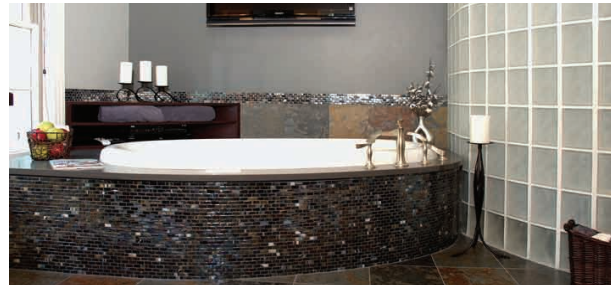

- › Multiple sizes & shapes
- › 54 standard & custom colors
- › Use in walls, showers, bars, columns & windows

## For a Softer Distinctive Look .... Frosted Glass Blocks

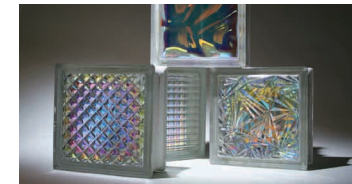

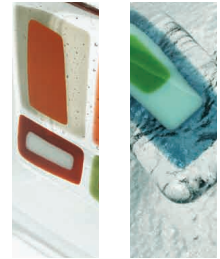

Clear and colored glass blocks can be frosted on one or two sides to create an obscured high privacy look that also diffuses natural sunlight.

- › 54 frosted & custom colors
- › Ask about pre-fabricated walls & windows

## Light Transmitting Walls, Windows, Backsplashes Never Looked this Stunning.... Fused & Dichroic Glass Blocks

Colored glass tiles don't need to be limited to solid walls. The beauty and multi-colored sparkle of the dichroic glass blocks move light through conference walls, partitions or windows with a splash of style.

- › Glass tile blocks
- › Dichroic glass blocks
- › Fused glass murals

## Etched & Engraved Murals

Custom design a mural to match your décor, interests or company logo. Use in windows, partition walls or showers.
